

Explore a Career as a **SECRETARY/ADMINISTRATIVE ASSISTANT**

What do Secretaries and Administrative Assistants do?

As a secretary or administrative assistant working in the professional services industry, you will provide key support for businesses and their staff. Your duties could include general clerical tasks such as drafting documents and answering telephones, as well as administrative jobs including scheduling and project management. Secretaries and administrative assistants often use computer software to create spreadsheets, manage databases, and prepare presentations, reports, and documents. They also may negotiate with vendors, buy supplies, and manage stockrooms or corporate libraries. Secretaries and administrative assistants also use videoconferencing, fax, and other office equipment. Overall they play an important role and are involved in many aspects of businesses.
